## A Family

**Participant 1:** Your assigned family member for the Christmas Swap is Random Name Picker 1 (\$0 Budget Limit)!

**Participant 2:** Your assigned family member for the Christmas Swap is Random Name Picker 2 (\$0 Budget Limit)!

**Participant 3:** Your assigned family member for the Christmas Swap is Random Name Picker 3 (\$0 Budget Limit)!

For example:

### **Ekman Family**

**Brandon:** Your assigned family member for the Christmas Swap is Brian (\$10 Budget Limit)!

**Rachel:** Your assigned family member for the Christmas Swap is Cassie (\$10 Budget Limit)!

**Faye:** Your assigned family member for the Christmas Swap is Jamie (\$10 Budget Limit)!

For our family, I separate the assignment slips by sibling (i.e. me and my kids; my brother and his kids), and text a screenshot of their section of the swap to that parent so they can help facilitate the gifting. Be creative, and fit what works for your family though -- make the assignments more formal by printing and mailing them, or send individual messages to each participant (if they are older and don't need assistance).
